This apparatus is the bottom classic name "agitating equipment" already known. This new version of the agitating equipment possesses the same manufacture and customs technology. The single, which one has the classic agitating equipment added, is the heating plate the incorporated became where one the bowl turns off.

In order to resist the heat, the bowl of the new agitating equipment from steel or from aluminium will be. In addition it will give an apparatus at the foot, in order to be able to embody it during the use fixed.

With the heating plate this mixing bowl can agitate not only warm to prepare but permitted it one without difficulties of courts which otherwise during the cooking bottom use physical force agitated to become to have.

- Jam
- Fired almonds
- Corn paste
- Yampurree
- Kartoffelpurree, etc.

Around the heat degree to adjust there is a second modulator button beside first, which regulates the speed of the agitation.

In the last 50 years the people have to come from various countries begun together to learn itself better. So we have z. B. the black Europeans, the white African, etc. . . . If we take the child of parent of two various nationalities before eyes, then this is the symbol of the fusion of two cultures. As rapid as the people moves, together comes, so rapid moves also their various cultures; they merge. From this fusion a new "intermediate culture" is born, which is normally more flexible, more open, more practical. Exactly the same it behaves with the new generation of the mixing bowl with heating plate. It is the result of two cultures: Culinary European culture and other world regions. With the mixing bowl with heating plate makes the preparation of:

- fired almond, which become estimated in Europes, no more problems
- the traditional house man jam, no more problems
- Corn paste, which becomes estimated in Africa, no more problems
- Griesteig
- Yamteig

- and other culinary preparations those agitated to become to have, or which require physical efforts otherwise during the cooking, no more problems make

The mixing bowl with heating plate is the result several various cultures, from Europes and other world regions.

I hope much that the preparation of many courts thereby simplified become, and so the life will make for us more beautiful and more pleasing.
